

# GA/FL IRRIGATION EXPO 2026

## JUNE 10TH

8:30AM-2:30PM

The University of Georgia and the University of Florida Extension Services are partnering with local RC&D councils and Soil & Water Conservation Districts to host a new agricultural expo focused on irrigation. Experience live demonstrations, including blue-dye tests, pivot uniformity, and micro-irrigation for freeze protection! Over 25 irrigation exhibitors will also be on-site, showcasing a wide range of irrigation products and knowledge.
